Summary of the Informal Fact-Finding Conference

An Informal Fact-Finding Conference (IFF) was convened on October 21, 2003, 2003, at the Department of Professional and Occupational Regulation, pursuant to a Notice of Informal Fact-Finding Conference sent by certified mail to Robert G. Farmer, Jr. on May 15, 2003 and by Amended Notice on September 17, 2003. The following individuals participated at the conference: Jennifer Kazzie, Staff Member; and Kenneth W. Hart, Presiding Board Member. Neither Farmer, nor anyone on his behalf, appeared at the IFF.

Summation of Facts

1. On or about December 13, 2000, Marjorie A. Jones (Jones) entered into a contract with Robert G. Farmer Jr. (Farmer), trading as Diamond Decks, in the amount of \$2,000.00, to construct a new landing and stairs to an existing deck at her residence at 20289 Ordinary Place, Ashburn, Virginia.

2. The contract used by Farmer in the transaction, failed to contain the minimum provisions required by the Board's 1999 Regulation 18 VAC 50-22-260(B)(8), subsections (a) when work is to begin and an estimated completion date; (d) a plain language exculpatory clause; (e) a statement of assurance that the contractor will comply with local requirements for building permits, inspections, and zoning; (f) disclosure of cancellation rights of the parties; (h) the contractor's license expiration date, class of license, and classifications or specialty services; and (i) a statement that providing that any modification to the contract, which changes the cost, materials, work to be performed, or estimated completion date, must be in writing and signed by all parties, in violation of the above-cited regulations.

3. On or about October 19, 2001, Charles Barger (Barger), Loudoun County Building Inspector, conducted an inspection of the work Farmer performed at Jones' residence at 20289 Ordinary Place, Ashburn, Virginia. This inspection was conducted pursuant to §114.4 of the Virginia Uniform Statewide Building Code (VUSBC), 1996 Edition with 2000 Amendments. Barger found that the work Farmer performed failed the inspection, because the landing was not level or supported, and the steps and handrails did not meet code requirements. Farmer was informed of the violations in October, 2001. As of June 21, 2002, Farmer failed to complete the work per the contract or correct the violations.

4. On or about June 4, 2002, a review of the licensing records of the Board for Contractors revealed Robert G. Farmer Jr., trading as Diamond Decks was issued Class C Contractor's license number 2705-050818, as a sole proprietor. The licensing records further revealed the address of record was 130-3 Fay Street, Winchester, Virginia 22602.

5. On or about June 10, 2002, Investigator Doneen A. Whitaker, the Board's Agent, made a written request to Farmer at the license address of record of 130-3 Fay Street, Winchester, Virginia 22602 by United Parcel Service (UPS) Next Day Air, requesting a written response to the complaint Jones filed with the Board and supporting documentation. The Board's Agent requested that Farmer submit his response and the requested documentation by June 25, 2002. On or about June 11, 2002, the Board's Agent's request was delivered by UPS to Farmer's license address of record. Farmer failed to respond to the complaint or submit the requested documentation.

Conclusion and Recommendation

Count I: 18 VAC 50-22-260(B)(8) (Effective May 1, 1999)

Farmer's failure to make use of a legible written contract that contains all provisions specified in the regulation is a violation of Board Regulation 18 VAC 50-22-260(B)(8). Therefore, I recommend a monetary penalty of \$500.00 be imposed.

Count II: 18 VAC 50-22-260(B)(15) (Effective September 1, 2001)

Farmer's failure to complete the work per the contract or correct the violations found by the Loudoun County Building Inspector is a violation of Board Regulation 18 VAC 50-22-260(B)(15). Therefore, I recommend a monetary penalty of \$2,500.00 and license revocation be imposed.

Count III: 18 VAC 50-22-260(B)(6) (Effective September 1, 2001)

Farmer's failure to correct items found by the Loudoun County Building Inspector is misconduct in the practice of contracting in violation of Board Regulation 18 VAC 50-22-260(B)(6). Therefore, I recommend a monetary penalty of \$500.00 and license revocation be imposed.

Count IV: 18 VAC 50-22-260(B)(13) (Effective September 1, 2001)

Farmer's failure to respond to the complaint or submit the requested documentation is a violation of Board Regulation 18 VAC 50-22-260(B)(13). Therefore, I recommend a monetary penalty of \$500.00 be imposed.

Summary of the Informal Fact-Finding Conference

An Informal Fact-Finding Conference (IFF) was convened on October 21, 2003, at the Department of Professional and Occupational Regulation, pursuant to a Notice of Informal Fact-Finding Conference sent by certified mail to Wayne Edward Garrity, t/a Mr. Rooter Plumbing (Garrity) on September 19, 2003. By letter dated October 15, 2003, an Amended IFF Memorandum was sent to Garrity. The following individuals participated at the conference: Jennifer Kazzie, Staff Member; and Kenneth W. Hart, Presiding Board Member. Neither Garrity, nor anyone on his behalf, appeared at the IFF.

Summation of Facts

1. On or about March 2001, Robert Nappi (Nappi) entered into a contract with "All State Plumbing Inc. D/B/A Mr. Rooter Plumbing," to repair a broken sewer line at 4137 Anderson Road, Triangle, Virginia. The contract specified a one-year warranty on the sewer work.
2. On or about December 27, 2002, a review of the licensing records of the Board for Contractors did not reveal a contractor's license for All State Plumbing Inc.
3. On or about December 27, 2002, a review of the licensing records of the Board for Contractors revealed Wayne Garrity (Garrity), t/a Mr. Rooter Plumbing, was issued Class C Contractor's license number 2705036371 on November 25, 1996. The records further revealed there were no changes in the business or trade name.
4. Wayne E. Garrity, t/a Mr. Rooter Plumbing, performed the repair work.
5. Garrity failed to operate in the name in which the license was issued.
6. Between May 2001 and January 2002, the subject property was unoccupied.
7. On or about January 4, 2002, Sharon L. Tamimi (Tamimi) purchased the home from Nappi. Within one month of moving into the home, Tamimi experienced plumbing problems, such as slow drains and sewer backups. Tamimi discovered that the sewer line was blocked in several places and broken in the same area that was replaced by Garrity in March 2001. Tamimi could not use the commodes and showers in her home.

8. The contract used by Garrity in this transaction failed to contain the minimum provisions required by the Board's 1999 Regulation 18 VAC 50-22-260(B)(8), subsections (a) when work is to begin and the estimated completion date, (d) a "plain language" exculpatory clause concerning events beyond the control of the contractor and a statement explaining that delays caused by such events do not constitute abandonment and are not included in calculating time frames for payment or performance, (e) a statement of assurance that the contractor will comply with all local requirements for building permits, inspections, and zoning, (f) disclosure of the cancellation rights of the parties, (h) contractor's license number, expiration date, class of license, and classifications or specialty services, and (i) statement providing that any modification to the contract, which changes the cost, materials, work to be performed, or estimated completion date, must be in writing and signed by all parties.

9. On or about September 13, 2002, Eric M. Mays (Mays), Building Official Prince William County Virginia, sent a Notice of Violation to Garrity for the following violations:

Failure to obtain a plumbing permit prior to the commencement of work, in violation of Section 109.1 of the Virginia Uniform Statewide Building Code (USBC), and Failure to get an inspection, in violation of Section 114.4 of the USBC.

The Notice of Violation directed Garrity to make corrections within 10 days of the receipt of the Notice of Violation. As of December 27, 2002, Garrity failed to make the corrections and abate the Notice of Violation.

10. Tamimi contacted Garrity to repair the sewer line per the one year warranty. Garrity refused to return to make any warranty corrections.

11. On August 22, 2002, Nappi assigned all of his rights and remedies under the contract he had with Mr. Rooter Plumbing Company in the spring of 2001 to the current owner, Tamimi.

12. On or about August 28, 2002, Investigator Philip Underwood, the Board's agent, sent an allegation letter to Garrity, including a copy of the complaint and a request for a written response to the complaint filed with the Board, via first class mail to the address of record with the Board of 5230 Washington Blvd., P.O. Box 8703, Baltimore, Maryland 21240. As of December 27, 2002, the Board's agent did not receive a response from Garrity.

On or about October 30, 2002, the Board's agent sent a second letter of allegation to Garrity, including a copy of the complaint and a request for a written response to the complaint filed with the Board, via certified mail to the address of record with the Board of 5230 Washington Blvd., P.O. Box 8703, Baltimore, Maryland, 21240. On or about

December 9, 2002, the letter was returned and marked “unclaimed.” As of December 27, 2002, the Board’s agent did not receive a response from Garrity.

15. On or about November 27, 2002, the Board’s agent called Garrity a second time at (703) 691-3080. A receptionist answered the telephone as “Allstate Plumbing Mr. Rooter Plumbing.” The receptionist transferred the call to Garrity’s voice mail and the Board’s agent left a message requesting Garrity contact the Board’s agent at (804) 367-2025 in reference to this complaint. As of December 27, 2002, the Board’s agent did not receive a response from Garrity.

Therefore, I recommend a monetary penalty of \$1,000.00 be imposed.

Count 4: 18 VAC 50-22-260(B)(6) (Effective September 1, 2001)

Garrity's failure to honor the terms and conditions of a warranty after an assignment from the previous owner is misconduct in the practice of contracting in violation of Board Regulation 18 VAC 50-22-260(B)(6). Therefore, I recommend a monetary penalty of \$1,000.00 and license revocation be imposed.

Count 5: 18 VAC 50-22-260(B)(13) (Effective September 1, 2001)

Summary of the Informal Fact-Finding Conference

An Informal Fact-Finding Conference (IFF) was convened on October 21, 2003, at the Department of Professional and Occupational Regulation, pursuant to a Notice of Informal Fact-Finding Conference sent by certified mail to Mark Dikun, t/a Commonwealth Construction Company (Dikun) on September 23, 2003. The following individuals participated at the conference: ; Aubrey Zellner, Complainant; Jennifer Kazzie, Staff Member; and Kenneth W. Hart, Presiding Board Member. Neither Dikun, nor anyone on his behalf, appeared at the IFF.

Background

On February 26, 2003, the Enforcement Division of the Department of Professional and Occupational Regulation received a written complaint from Aubrey Zellner (Zellner) regarding a contract entered into with Mark Dikun, t/a Commonwealth Construction Company (CCC).

On June 12, 2002, Zellner entered into a contract with CCC, in the amount of \$11,500.00, for the renovation of the basement at Zellner's house at 9767 Uppermill Loop, Bristow, Virginia.

On August 28, 2002, Zellner signed a written change order, in the amount of \$1,769.00, for the construction of a bar area at Zellner's house at 9767 Uppermill Loop, Bristow, Virginia. The change order also specified a completion date of September 30, 2002, for both the basement and bar area projects.

Summation of Facts

1. The contract used by CCC failed to contain the minimum provisions required by the Board's 2001 Regulation 18 VAC 50-22-260(B)(9), subsections (f) disclosure of the cancellation rights of the parties and (h) contractor's license expiration date, class of license, and specialty service. CCC failed to make use of a legible contract that contains all provisions specified in the regulation.
2. Between June 13, 2002, and August 26, 2002, Zellner paid CCC a total of \$12,769.00 by checks.
3. On February 28, 2003, a review of the licensing records of the Board for Contractors revealed Mark Dikun, t/a Commonwealth Construction Company, was issued Class C Contractor's license number 2705059267 on January 9, 2001.
4. CCC failed to obtain a Class B license in order to perform work in excess of the \$7,500.00 limit of a Class C license.
5. The contract specified CCC "shall at its own expense obtain all permits necessary for the work to be performed."
6. On or about June 25, 2002, CCC commenced the work. CCC completed the framing of the bathroom, installed some drywall, installed wiring for cable and a computer, installed recessed lights, constructed a platform to run the plumbing above the floor for the drain, and constructed a frame for the shower.
7. Susie Keirut, Secretary with Prince William County Building Code Enforcement, advised Investigator Carolyn D. Wright, the Board's agent, that CCC failed to obtain electrical, plumbing, and mechanical permits prior to commencement of work at 9767 Uppermill Loop, Bristow, Virginia, as required by Section 109.1 of the Uniform Statewide Building Code. During the IFF, Zellner (the Complainant), stated that he obtained the building permit as the homeowner.
8. On July 16, 2002, Prince William County rejected the CABO Combination Concealment Inspection for incomplete work. CCC told Zellner the inspection had passed.
9. After July 16, 2002, CCC installed drywall on the walls and ceilings without installing the rough-in plumbing for the bathroom, and air conditioning heating ducts. CCC failed to make corrections and obtain an approved inspection before installing the drywall. As a result, holes had to be punched into the drywall to ensure fire stopping had been installed correctly and to install the air conditioning and heating ducts.
10. After mid-August 2002, CCC failed to return to complete the work contracted for, including, but not limited to: completion of the framing of the walls and the bulkhead; installation of six (6) new doors, sink, toilet, mirror, lights, towel rods, vent for the bathroom,

cabinets, cabinet lighting, counter tops, water line and filter for the icemaker, outlets, and switches; paint all walls; and tape and mud walls and ceilings.

11. Between September 2002 and December 2002, Zellner attempted to contact CCC by telephone and e-mail regarding completion of the work. CCC failed to respond to Zellner's calls and e-mails.

12. On December 2, 2002, Zellner sent CCC a formal demand letter, via registered mail. Zellner requested CCC refund a total of \$7,019.00 within 10 days of receipt of the letter, return the key for the basement sliding door, and return the wood cabinet door and wood stair hand railing. On December 6, 2002, CCC signed for the letter. CCC failed to respond to the demand letter.

13. As of February 26, 2003, CCC failed to complete the work contracted for.

14. As of February 26, 2003, CCC failed to return money received for work not performed or performed in part.

15. The contract specified CCC "shall furnish a plan and scale drawing showing the shape, size dimensions, and construction and equipment specifications for home improvements . . ." As of February 23, 2003, CCC failed to comply with the terms of the contract and provide Zellner the plan and scale drawing.

16. On March 19, 2003, Investigator Carolyn D. Wright, the Board's agent, sent a certified letter to CCC at 4020 Cressida Place, P.O. Box 237, Haymarket, Virginia 20168, requesting a written response and supporting documents regarding the subject complaint. The Board's agent requested a response by April 4, 2003.

17. On April 8, 2003, the Board's agent received a voice mail message from Mark Dikun, regarding the Board's agent's certified letter and the subject complaint.

18. On April 9, 2003, the Board's agent called Dikun at (703) 926-3715, the number Dikun provided to the Board's agent in a voice mail message. The Board's agent left Dikun a message. In the message, the Board's agent asked Dikun if he was going to send in a written response and documents as requested. As of April 28, 2003, the Board's agent has not received a written response or documents as requested.

BOARD FOR CONTRACTORS**

**RE: WILLIAM B. ROBERTSON
LICENSE NUMBER 2701 023209**

FILE NUMBER: 2003-00222

Summary of the Informal Fact-Finding Conference

An Informal Fact-Finding Conference (IFF) was convened on October 21, 2003, at the Department of Professional and Occupational Regulation, pursuant to a Notice of Informal Fact-Finding Conference sent by certified mail to William B. Robertson (Robertson) on September 24, 2003. The following individuals participated at the conference: Jennifer Kazzie, Staff Member; and Kenneth W. Hart, Presiding Board Member. Neither Robertson, nor anyone on his behalf, appeared at the IFF.

Background

On July 18, 2002, the Enforcement Division of the Department of Professional and Occupational Regulation received a written complaint from Lonnie Weaver (Weaver) regarding a contract entered into with William B. Robertson (Robertson).

On September 6, 2001, Weaver received a written contract from Robertson, in the amount of \$26,700.00, for the addition of a garage and sunroom at 1123 Jamestown Road, Rocky Mount, Virginia.

In September 2001, Robertson commenced work. Weaver did not sign the agreement until November 8, 2001. On April 25, 2002, Robertson left the job without completing the project.

On August 7, 2002, an agreement between Weaver and Robertson was drafted for the completion of the addition. The agreement was not signed by either party.

Summation of Facts

1. The contract used by Robertson for this transaction failed to contain the minimum provisions required by the Board's 2001 Regulation 18 VAC 50-22-260(B)(9), subsections (e) a statement of assurance that the contractor will comply with all requirements for building permits, inspections and zoning, (h) the expiration date of the contractor's license, class of license and classification or specialty service, and (i) a statement providing that any modification to the contract, which changes the cost, materials, work to be performed or estimated completion date, must be in writing and signed by all parties.
2. The contract specified "Approximate Starting Date 9-10-01" and "Approximate Completion Date 10-30-01." As of March 13, 2003, Robertson failed to complete the work contracted for.
3. Weaver paid Robertson in excess of \$36,000.00. The additional costs were for additional construction, and labor charges.
4. Robertson failed to execute written change orders for these modifications to the original contract.
5. On or about October 15, 2002, Robertson left the job site and failed to return to complete the following items: finish grading, waterproofing the building, and obtaining a certificate of occupancy as required by the contract.
6. Between October 28, 2002 and November 18, 2002, Weaver made several attempts to contact Robertson to request Robertson complete the work. Robertson failed to respond to Weaver.
7. As of March 13, 2003, Robertson failed to complete the work contracted for and failed to return money received for work not performed or performed only in part.
8. On January 29, 2003, Investigator Dale C. Amos, the Board's agent, sent a written request, via certified mail, to Robertson at the address of record of 50 Mountainview Avenue, Rocky Mount, Virginia 24151, requesting a written response and supporting documents regarding the complaint filed with the Board. The Board's agent requested a response be received by February 10, 2003. On February 14, 2003, the certified letter was returned to the Board's agent by the United States Postal Service and was marked "unclaimed."

Conclusion and Recommendation

Count 1: 18 VAC 50-22-260(B)(9) (Effective September 1, 2001)

Robertson's failure to make use of a legible written contract that contains all provisions specified in the regulation is a violation of Board Regulation 18 VAC 50-22-260(B)(9). Therefore, I recommend a monetary penalty of \$800.00 be imposed.

Count 2: 18 VAC 50-22-260(B)(31) (Effective September 1, 2001)

Robertson's failure to obtain written change orders, which are signed by both the consumer and the licensee or his agent, is a violation of Board Regulation 18 VAC 50-22-260(B)(31). Therefore, I recommend a monetary penalty of \$250.00 be imposed. The agreement, which was drafted, contained clear and concise information but was signed by neither party.

Count 3: 18 VAC 50-22-260(B)(15) (Effective September 1, 2001)

Robertson's failure to complete work contracted for is a violation of Board Regulation 18 VAC 50-22-260(B)(15). Therefore, I recommend a monetary penalty of \$2,500.00 and license revocation be imposed.

Count 4: 18 VAC 50-22-260(B)(16) (Effective September 1, 2001)

Robertson's failure to return money received for work not performed or performed only in part is a violation of Board Regulation 18 VAC 50-22-260(B)(16). I recommend a monetary penalty of \$2,500.00 and license revocation be imposed. Robertson was paid in advance, even though he was not entitled, therefore, there was a definite retention of funds on this cost plus contract.

Count 5: 18 VAC 50-22-260(B)(13) (Effective January 1, 2003)

Robertson's failure to respond to an investigator seeking information in the investigation of a complaint filed with the board is a violation of Board Regulation 18 VAC 50-22-260(B)(13). I recommend a monetary penalty of \$2,000.00 be imposed.

George Little, t/a George Little

Beaverdam, VA 23015

File Number 2002-03619

CONSENT ORDER

Respondent George Little, t/a George Little ("George Little") was at all times material to this matter a licensed Class C Contractor in Virginia (No. 2705059126).

As a result of this status, George Little recognizes and acknowledges being subject to and bound by the Regulations of the Board for Contractors ("Board"), as well as by all other applicable Virginia laws.

A violation of these Regulations has been reported and investigated. These matters were considered on October 21, 2003 in an Informal Fact Finding Conference ("IFF") pursuant to the Administrative Process Act §§2.2-4019 and 2.2-4021 of the 1950 Code of Virginia, as amended. This IFF was held in Richmond, Virginia and was attended by George Little, Respondent, and his attorney Sarah P. Campbell, Esquire. Additionally, Charles and Brenda McGehee, Complainants, attended. Board Member Kenneth W. Hart presided at the IFF.

The Board's duly designated representative has found sufficient evidence to believe that:

Background

On or about June 15, 2001, Brenda McGehee (McGehee) entered into a contract with George Little (Little), in the amount of \$4,850.00, to tear down and rebuild rear brick steps; install an elliptical brick patio in the backyard; install a new brick walkway from the new elliptical patio and tie it into an existing brick walkway underneath an existing breezeway; and install downspout drainage and foundation drainage pipe through brickwork to rip-rap on McGehee's property at 4206 Oxford Circle East, Richmond, Virginia.

On or about July 5, 2001, McGehee and Little executed a change order for an increase in the size of the elliptical brick patio by 151 square feet. The change order resulted in an additional cost of \$2,100.00. On or about August 3, 2001, McGehee and Little executed a second change order for a material change from using new brick for the new brick walkway to using old reclaimed brick for the new brick walkway. The second change order resulted in an additional cost of \$458.00, for a total contract price of \$7,408.00. The August 3, 2001, change order also specified that [the color of the] mortar [installed on the new reclaimed brick walkway] to match [the existing mortar on the existing brick breezeway].

On or about April 10, 2002, McGehee entered into a verbal agreement with Little to repoint (reset a few loose bricks and re-spread mortar over them) a few of the bricks on the front steps of the subject property. On April 12, 2002, McGehee paid Little \$235.00 for this additional work.

Summation of Facts

1. The contract used by Little in the transaction failed to contain a minimum provision required by the Board's 1999 Regulation 18 VAC 50-22-260(B)(8), subsection (a) when the work is to begin and the estimated completion date.
2. On or about April 10, 2002, Little started the repointing work. On or about April 11, 2002, Little completed the work. Little failed to make use of a legible written contract clearly specifying the terms and conditions of the work to be performed prior to commencement of the repointing work.

The Board and George Little, as evidenced by the signatures affixed below, enter into this Consent Order. George Little knowingly and voluntarily waives any further proceedings in this matter under Administrative Process Act §§2.2-4020 and 2.2-4021 of the 1950 Code of Virginia, as amended.

Further, by signing this Consent Order, George Little acknowledges an understanding of the charges. George Little hereby admits to the violation(s) of the Board's Regulations and consents to the following term(s) by the Board:

Count 1: 18 VAC 50-22-260(B)(8) (Effective May 1, 1999)

Little's failure to make use of a legible written contract that contained a provision specified in the regulation regarding the contract entered into on June 15, 2001, is a violation of Board Regulation 18 VAC 50-22-260(B)(8). Therefore, I recommend a monetary penalty of \$100.00 be imposed.

The Board waives the imposition of the \$100 monetary penalty for Count 1 provided Little successfully completes remedial education by attending the Board's Basic Contracting License class and passing the examination. If Little fails to successfully complete remedial education within six months of the effective date of this order, then the monetary penalty will be automatically imposed.

Count 2: 18 VAC 50-22-260(B)(8) (Effective September 1, 2001)

Little's failure to make use of a legible written contract clearly specifying the terms and conditions of the work to be performed regarding the verbal agreement entered into on April 10, 2002, is a violation of Board Regulation 18 VAC 50-22-260(B)(8). Therefore, I recommend a monetary penalty of \$100.00 be imposed.

The Board waives the imposition of the \$100 monetary penalty for Count 2 provided Little successfully completes remedial education by attending the Board's Basic Contracting License class and passing the examination. If Little fails to successfully complete remedial education within six months of the effective date of this order, then the monetary penalty will be automatically imposed.

The above monetary penalties, costs or sanctions are to be paid/performed within thirty days of the effective date of this consent order. George Little acknowledges the monetary penalty and costs as a debt to the Commonwealth and agrees that in the event of a default, or the return of a check for insufficient funds, George Little will be responsible for a penalty fee of 10% and interest at the underpayment rate prescribed in Section 58.1-15 of the 1950 Code of Virginia, as amended, and for all reasonable administrative costs, collection fees, or attorney's fees incurred in the collection of whatever funds are due.

George Little acknowledges that failure to pay the penalty, the costs, or to comply with all terms of this Order within the specified time period, shall result in the automatic suspension of George Little's license until such time as there is compliance with all terms of this Order. George Little understands the right to have this automatic suspension considered in an IFF pursuant to the Administrative Process Act §§2.2-4019 and 2.2-4021 of the 1950 Code of Virginia, as amended, but knowingly and voluntarily waives any rights to the proceeding and hereby waives any further proceedings under the Administrative Process Act §§2.2-4020 and 2.2-4021 of the 1950 Code of Virginia, as amended.

The effective date of this Order shall be the date of execution by the Board.

3. On or about May 18, 2001, Austin paid Arnold \$8,745.00 as a down payment.

4. On or about August 8, 2001, Arnold commenced work by removing the roof from part of the church.
5. On or about August 18, 2001, Arnold left the job site without completing the work as contracted.
6. In a letter dated August 8, 2001, David A. Fluhart (Fluhart), Director of County of Accomack Department of Building, Planning and Zoning, advised Austin that the checks submitted by Arnold for the cost of the permit were returned for insufficient funds.
7. Liens were put on the church because Arnold wrote bad checks for the project.
8. As of August 27, 2001, Arnold failed to complete: framing, exterior sheathing, roofing, siding, interior drywall, trim and windows installation. Arnold failed to return any of the \$8,745.00 paid by Austin.

Conclusion and Recommendation

Count 1: 18 VAC 50-22-260(B)(8) (Effective May 1, 1999)

Arnold's failure to make use of a legible written contract that contains all provisions specified in the regulation is a violation of Board Regulation 18 VAC 50-22-260(B)(8). Therefore, I recommend a monetary penalty of \$900.00 be imposed.

Count 2: 18 VAC 50-22-260(B)(12) (Effective May 1, 1999)
